

Muscadet

Muscadet has a bright, crisp, dry flavor that will surely enhance your oyster-eating experience. Muscadet is from the Loire Valley near the city of Nantes along the coast of France and is made with the local French Melon de Bourgogne grape. The Nantes region also features a large abundance of local oysters, making Muscadet the perfect pairing. The light crispness of Muscadet and its moderate alcohol level allow it compliment its pairing without overpowering it.
