### BEST FUNDRAISER TO ATTEND

COALITION TO RESTORE  
COASTAL LOUISIANA'S  
SHELL-A-BRATION

**CRCL DOES IMPRESSIVE WORK** in the community recycling oyster shells to build reefs and strengthen Louisiana's coast. They also definitely know how to throw a fundraiser. We met at the Audubon Zoo's gates and got to ride a mini train (!!!) to the Louisiana swamp exhibit. There they had multiple local oyster businesses serving up oysters of all shapes and sizes, including some that were absolutely massive, in addition to more food inside. Cajun musician Louis Michot of the Lost Bayou Ramblers performed. Plus, I got to say hi to the otters, white alligators and the Rougarou, who was already dressed in her Easter best.
